

About this Website

Hello and Welcome to the new Website for Saint Paul's Church in Monaco

Guide and information

Access links across the top
and
in dropdown left hand column

This site has quite few interactive links especially to our new Photo
library database,
The left Hand drop has links to lots of information to other links and
to our present style newsletter and Volunteer Rota
however there is a link bottom of front page to a proposed new
Volunteer Rota
which can be either downloaded to PDF or Printed from the site.

note that most of the other pages information can also be printed or
downloaded to PDF

As each Sunday in the year reflects through our Liturgical year
we are able to compose and present in video format right hand front
page

the readings and Psalms for each Sunday
an annual cycle throughout our Christian year
and readings are subject to change by the chaplain
note: presently there is no Sound

any comments please email me at
