2018 ACR ANNUAL ASCENSION DAY CELEBRATION LORGUES

The Annual ACR (Anglican Churches of The Riviera) Ascension Day Celebration followed by a Bring and Share Lunch was held at the Chaplaincy of Lorgues in Fayence. Hosted by the Reverend Peter Massey and his wife Shirley.

We were blessed by the Lord with the weather and sixty five adults and one child attended Eucharist which was led by Bishop Michael Marshall, who gave a very moving Ascension Day Sermon.

Reverend Bob Hurley the Chaplain from Grenoble was installed for a further Five years by our Area Dean, the Reverend Canon Giles Williams, during the service.

A very large contingent of Laity accompanied their Chaplain from Grenoble.

The Reverend Alex Packett Chaplain from Marseille and the Reverend Tom Wilson Chaplain from St. Raphael were among the attendees.

A bring and share Lunch followed in the gardens and everyone had the opportunity to move around and communicate with members from other Chaplaincies.

It was a very happy day of celebration and communication.

We thank the Reverend Peter and Shirley for their Welcome and All they did to accommodate us.
