The AGM was pleased to return all of the members of our Church Council
for another year of leadership at Saint Paul's.
Ben Rolfe was appointed to serve as our Treasurer with

Brian Fenwick-Smith staying on as a member of the council.

Dani Carew, Samantha Stirling and Mary de Vachon were elected to serve as our Delegates to the Archdeaconry Synod for 3 years beginning in June 2017.

The Saint Paul's Association President, Frank Megginson, closed the meeting

with an expression of gratitude to Father Walter who will retire in July.

Father Walter responded offering thanks for the many in our community who give so generously of time and resources for the mission of our church,

and who have earned for Saint Paul's a truly merited reputation as a warm,

welcoming and effective community of Christians.

Brian Fenwick-Smith: job well done

Standing down as the Honorary Treasurer at the church AGM, after a three year term in that office,

Mr Brian Fenwick-Smith was praised for the progress made over the time he has been responsible for our church finances.

We all owe a great debt of gratitude to Brian for the tremendous effort he

made over the past three years to standardise and simplify our financial reports;

to consolidate and streamline our banking procedures;

to keep proper records of cash receipts and payments;

and to legally declare the work of all our employees.

Brian is particularly pleased to have found funding for the church choir and,

indeed, how much do we all appreciate the arrival of Drew Hopkins as lead chorister

thanks to the very generous donation that established the choir fund two years ago.

He was also pleased to report to the members of our church, that the funding is now entirely in place for the Library Lift which will be installed over the summer.

In Brian's 3 years as our Treasurer, we saw our savings grow 19% to a total reported at the end of 2016 of over € 2.2 million.

Thanks to Brian's leadership we have also seen the development of the Charitable Donations Committee,

reflecting our commitment as a church to direct approximately 10% of our annual income beyond Saint Paul's to respond concretely to the needs of our region and our world.

So much has been accomplished in just three years and, Brian notes, *"all achieved in very constructive and friendly council meetings!"* Well done Brian: we are all very grateful to you for all you have done for us as our Treasurer.
