

Church Picnic 2017 FERME DE LA GORRA

St Paul's Church Picnic
17th September 2017

Irene and William Eason have very generously made their country home "La Ferme de la Gorra" in Saint Martin de Peille available to us again this year for our annual church picnic taking place Sunday, 17th September, 2017.

The farm is very easy for directions please

If enough people would like a coach service, it will be made available for those not using their cars. The coach will depart from St. Paul's Church at 9:30

the coach may be obliged to stop 2km from the house, we are looking for a handful of volunteers with their own cars

to ferry those in need of a lift up to house.

The picnic begins with Sunday worship with Holy Communion at
11.00 hrs
on the open-air porch of this historic farmhouse.
followed by a "Bring & Share" lunch.
Please feel free to bring any food
it would be helpful in our planning to know what dishes you
will be bringing.
