DIRECTIONS

FERME DE LA GORRA, ST. MARTIN DE PEILLE

On the motorway, coming from Nice Airport

Take A8 motorway from Nice direction toward Italy

Exit : **La Turbie**

Follow signs for the **Grande Corniche** into **La Turbie Village**

Drive through the village going from west to east, past various small shops

From Monaco

Take the **Moyenne Corniche** out of Monaco (toward Nice) turning off right up to La Turbie village, well before reaching the tunnel to the motorway.

Go up to the **main road in La Turbie** (i.e. the Grande Corniche, which cuts through the village and on which there are various small shops)

Turn **right** when you reach the main road in La Turbie and be ready to turn left very soon

THEN

Take left turn toward **Peille / l'Escarene** just before the village of La Turbie peters out

Then, follow the road to Peille (called the **Route de Peille**). The intersection some 500 m up, do **not** turn off right towards Mont Agel golf course but go left toward Peille / l'Escarene (D53).

After 3km or so you get to the hamlet of **St. Martin de Peille** : there is a sign for this on the left hand side of the Route de Peille. Just after this sign you take a **left** turn down a hill signposted "La Gorra". You will see a **restaurant on your right** just after you turn left (called the Relais St. Martin or chez Cotton).

Follow this road downward, always choosing to go **left** at any fork in the road (there are **seven sharp bends** on your way down).

You will arrive at the entrance to the estate to your right ("Les 3 Sources"). Do **not** follow the road up the hill at that point. At the large black gate, you will need to **open the gate using the code : 1720**

If this does not work call us on the **interphone, code : 1955A**

And we will open the gate automatically. If this does not work, you can call us on +33 4 93 41 00 76 and we will come and get you.

Some 200m down that road, straight in front of you is the **Ferme de la Gorra** (old house with barn on left).

N.B. Code to leave the estate is 1720A
